Care Information

To give you years of enjoyment from your leather furniture please observe the following:

- Avoid exposing your furniture to direct sunlight or direct heat
- Avoid sharp objects such as studs, buckles & zips coming into contact with your furniture
- Dust and vacuum your furniture regularly
- Wipe off stains and spills immediately with a soft, lightly damp cloth taking care not to soak the leather
- Modern leathers do not require feeding and saddle soap or wax polishes should be avoided, especially spray polishes
- Use of general household cleaning products, chemicals and abrasives are not recommended as they can break down the protective surface and cause damage
- Do not use any method or product not recommended by the manufacturer
